Sir:

The non-patent literature (NPL) documents corresponding to cites 2, 8 and 10-16 of the IDS filed May 5, 2008, are submissions made on behalf of unidentified third parties in related foreign applications. Other NPL documents cited in the May 5, 2008, IDS include office actions in foreign applications. Additional foreign application office actions were cited in earlier IDSs. If the Examiner's review of a submitted NPL document would be aided by a copy of the claims pending in a foreign application as of the date of a particular office action or third party submission, the Examiner is requested to contact the undersigned.

Respectfully submitted,

Date: May 5, 2008
